### PROTECTING YOUR ACCOUNT

From time to time we will request verification items such as a Driver's License, Maine State ID, and/or Student ID for security purposes. These items are scanned into our system and your information is updated. It only takes a few moments so please bear with us. Ultimately, this is for your security so that we can prove your identity. Thank you in advance.

### UPDATE YOUR INFORMATION

If you have moved recently or your phone number has changed, please inform the credit union in writing so that we can keep your account updated.

### STAY ON TOP OF YOUR CREDIT REPORT

Please be aware only one website has been officially authorized to provide free credit reports: [AnnualCreditReport.com](http://AnnualCreditReport.com) You also can call 877-322-8228, or complete a request form and mail it to:

**Annual Credit Report Request Service  
P.O. Box 105281  
Atlanta, GA 30348-5281**

You can order your credit report for free from each credit bureau once each year. **Remember, you can access your credit report for free, but not your credit score.**

### THREE FAKE EMAIL RED FLAGS

- 1. Watch for Misspelled URLs:** Appearing in the address bar, these can be off by as little as one character, or may have a subdomain added to the main address that drives to the spoofed website.
- 2. Think Before You Click the Link:** Again, this can be tricky to watch for, but if you hover your mouse over a link in an email without clicking on it, you can see the web address.
- 3. Start Using Multi-Factor Authentication:** While it may seem like a bother, this protects you. In the event your passwords were stolen in a scam, having the additional step in place adds a level of security that prevents a thief from accessing any information using only the password.

## IS THERE A NEW CAR OR TRUCK IN YOUR FUTURE?

**With rates as low as 5.50% APR\*, let Seaboard put you in the driver's seat**

Are you paying too much to finance your car? Let us see if we can help! If you feel that you did not receive the best interest rate from the dealer, you may be able to save hundreds of dollars by refinancing your car loan with SFCU.

Call or apply online and we'll compare your current interest rate and payments with a SFCU car loan and show you how much you can save. If you're better off keeping your loan where it is, we'll tell you! Here at SFCU our members are our priority and we strive to achieve your best financial life.

\*Annual Percentage Rate. APR does not apply to existing SFCU loans. New money only. Per \$1,000 borrowed for 12 months at 5.50% APR = payment of \$85.84 per month. Rates are subject to change without notice. Some restrictions apply. Must meet credit union guidelines set forth by SFCU.

## WATCH OUT FOR TELEPHONE SCAMS

You may have received phone calls claiming they are from a big company's customer service department. They tell you that there was a fraudulent charge on your account, and they can help you fix it. They will either ask for credit card and account login details or they will request remote access to your computer under the guise of "helping" to solve the issue. **Never give out personal information over the phone, simply hang up.**

## GAP PROTECTION: FOR ALL YOUR UNEXPECTED VEHICLE HICCUPS

**Will your auto insurance pay off your loan in the event of a total loss or theft?**  
**Probably not.** In most cases, your insurance will fall short of covering the full balance of your auto loan at the time of loss, leaving you with a loan balance and no vehicle.  
 Guaranteed Auto Protection (GAP) can help pay the remaining balance of your auto loan after an insurance payout. You can add GAP to your loan at anytime. Please refer to the GAP Addendum for Terms and Conditions.

# BOARD ELECTIONS

Every year members have their chance to elect the credit union's Board of Directors. The Nominating Committee will accept applications for three seats in 2023. Incumbents up for re-election are **Bill Cohen, Jeff Kneeland** and **Joe Lynch**.

If you are contemplating running for the Board, you may want to know some of the important duties involved.

Directors are unpaid volunteers who take on the responsibility of overseeing the direction of the credit union. Serving on the Board of Directors is a privilege, but it also involves a high level of commitment, dedication, and expertise.

Director's responsibilities include, but are not limited to, the following:

- Attending all monthly board meetings, typically held on the third Monday of the month at 4:30 P.M.
- Completing applicable training courses
- Participating in strategic planning sessions
- Devoting time to committee meetings and other credit union events

To be eligible to run, you must be a member in good standing. Additionally, a NCUA regulation requires directors achieve financial literacy in understanding the balance sheet and income statement within six months of election.

We have been fortunate over the years to have dedicated and loyal Board members. Any member wishing to run for the Board of Directors of Seaboard Federal Credit Union should call 207-469-6341 for a nomination form.

**All nomination forms must be received by 4:30 P.M. on Thursday, January 12, 2023.**
