Visa® Check Card

Wouldn't it be great if your ATM card could do even more for you? What if it allowed you to charge purchases against your credit union checking account? That's the idea behind the Visa Check Card—the ATM card that works like a check, wherever Visa is accepted.

Use the card instead of a check

Where checks aren't accepted—such as restaurants and gas stations—or when you don't want to carry your checkbook, use your Visa Check Card instead!

UChoose Rewards®, you choose where to shop and what to get for all the points you earn.

Most rewards programs have limited options on where to shop, and it takes forever for your points to accumulate.

UChoose Rewards changes all of that.

You have access to hundreds of retailers where you earn big rewards, and there are millions of redemption choices!

Watch your points add up each and every time you shop with your Seaboard FCU Credit and Debit Card. Plus, shop at participating retailers, and watch your points add up quicker.
